

## Emerging Artist Residency: Equality and Diversity Monitoring Form

Mount Stuart Trust aims to embrace equality and diversity.

To understand our progress, we need to monitor the applications we receive and to collect relevant data. We include questions on age, gender, ethnicity, disability, and sexual orientation - all defined 'protected characteristics' in the Equality Act 2010.

In providing your completed response along with your application form, you are giving explicit consent for us to use this data for statistical reporting. The data is managed confidentially, is not personally attributable, will not have any bearing on your application for funding and is processed in accordance with the Data Protection Act.

If you do not know some of the information or if you prefer not to provide it, you can fill in the 'Prefer not to answer' box. This form can be provided in alternative formats on request.
